## **TERMS AND CONDITIONS:**

- The Credit will be applied upon successful approval of an AWS opportunity proposal. nubeGO will provide one day of complimentary nubeGO Cloud Consultancy services to assist in the creation of the proposal, for a fixed fee of 150 USD.
- You will receive a one-time credit in AWS Credits of up to 10% of your AWS bill for your PoC to be applied to your verified AWS Billing Account. This amount is capped at 5,000 USD. ("Credit")
- The Credit may be used only for fees and charges for eligible AWS spend, and cannot be applied against any invoices for nubeGO's services.
- The Credit is personal to you and may not be transferred to any other account.
- You are not allowed to sell, license, rent or otherwise transfer the Credit.
- The Credit has no intrinsic value; it is not redeemable for cash, has no cash value and serves only to recognise and provide an incentive to use AWS services.
- The Credit cannot be purchased directly with cash, and it is non-refundable.
- The Credit is a limited-time offer, only available to you during the first three months of service following the approval of the AWS opportunity. All Credit not used before this expiration date will be automatically forfeited.
- We reserve the right to cancel this offer at any time. No refunds will be granted for any expired or cancelled Credit.
- This Credit Offer does not apply if your use or receipt of the Credit would violate or be inconsistent in any way with applicable law or regulation.
- This Credit is void in the event of fraud, misuse, or violation of any terms of your Agreement with nubeGO or with AWS or if you attempt to sell it for cash or other consideration.
